EDUCATION

Georgia State University

Bachelor of Science in Computer Science

Atlanta, GA

Jan. 2022 – Present

EXPERIENCE

FC Associate I

Amazon Sort Center ATL2

Aug. 2021 – Apr. 2025

Stone Mountain, GA

- Troubleshoot inventory issues such as mislabels, damaged items, and misplaced units.
- Maintained and repaired equipment including printers and handheld scanners.
- Worked with team members to meet daily shipment goals and improve workflow efficiency.

PROJECTS

Daily Cosmos | *React, NASA APOD API, Tailwind CSS*

Feb. 2025

- Built a small site that shows NASA's daily space photo using the APOD API.
- Added a date picker for viewing older posts and handled API errors cleanly.
- Deployed on GitHub Pages with a custom domain.

TECHNICAL SKILLS
